

SYSTEM AND ORGANIZATION CONTROLS (SOC 2) PROVEN PROCESS

SOC 2 TYPE 2 REPORT READINESS

Getting a “clean” SOC 2 report helps organizations secure new business. With SOC 2 readiness, your organization can demonstrate to clients and auditors that you have a continuous process for managing and implementing security.

GreyCastle Security’s SOC 2 service provides:

- ✓ Proof that customer data is safe & handled in a controlled environment to ensure compliance with trust service criteria
- ✓ Oversight of risk and the ability to review risk reports at regular reporting periods
- ✓ For an impartial third-party to attest to the findings based on documentation and evidence provided at either a point-in-time or for a period of time

WITH GREYCASTLE SECURITY’S **SOC 2** SERVICE, YOUR ORGANIZATION CAN FOSTER TRUST AND CONFIDENCE WITH CLIENTS REGARDING SERVICE DELIVERY PROCESSES AND CONTROLS, INCLUDING:

- ✓ Privacy
- ✓ Security
- ✓ Availability
- ✓ Confidentiality
- ✓ Processing Integrity

When you work with GreyCastle Security’s experienced security consultants on SOC 2 readiness, you will add value to your business by demonstrating proof to the marketplace that your organization has controls in place and will continually improve upon them. A SOC 2 Type 2 compliant program will create a measurable, risk-based Information Security Management System for your organization.
