

# SECURITY AWARENESS SERVICES

## SECURITY AWARENESS

**GreyCastle Security is the industry's leading provider of cybersecurity risk assessment, mitigation and certification readiness services.**

Industry analysts, security researchers, penetration testers and pundits all agree on one security constant: Your people are your biggest security vulnerability.

Security Awareness Training isn't about 45 minutes of boring PowerPoint slides. With the right trainers, content, tools and attitudes, it's possible to change people's behaviors.
